Description of Incident

Provide a description of the incident and how you (or those you are filling this out on behalf of) were victimized. Provide information not captured elsewhere in this complaint form:

I am reaching out to discuss a troubling experience I recently had with a Chinese-born YouTuber who aspires to become a congresswoman in the USA. I contacted her regarding defamatory comments made about me in her Telegram group, but her response included discriminatory remarks about my disability.

While I am managing my mental well-being, I feel strongly that there should be consequences for her actions, particularly as they perpetuate discrimination against disabled individuals. I would like your assistance in strategizing how I can address this situation effectively. Specifically, I need guidance on how to advocate for accountability and ensure that her behavior is confronted.
